Fundraising For Your Park

Wednesday, June 13th

6 – 7:30 PM

NPC Office

451 Hayes St. @ Octavia

“Mission Blue”: Mosaic butterfly throne by Sarah Dorrance, dedicated to Julia.

Join NPC, Mayor Gavin Newsom’s Office, The Stewardship Council, San Francisco Beautiful and the Friends of Rossi Park to learn about fundraising for your park through foundation grants, brick donor projects, corporate solicitation and advocating to your Supervisor.

Some groups have rebuilt entire playgrounds, others leveraged a budget allocation from their supervisor to combine with community fundraising efforts.

Come learn about creative fundraising methods!
