

Dear Open Space Task Force Participant:

Thank you for attending the inaugural meeting of the Open Space Task Force! This binder contains: basic information on open space; San Francisco's open space policies and codes; and best practices from around the United States. We will be sending you more detailed information on all of these topics on a flash drive before the next meeting in January. Beginning in December, you will also be able to download the updated *Green Envy* report, information about international and national best practices, and updates about the Open Space Task Force from www.openspacesf.org.
